Miss Mirabile

We wish to express our gratitude by dedicating the 1953 Log to you. You have contributed much to our school and we appreciate it very much.

This memory book is dedicated to you for being a friend and counselor to every student.

Thanks to you we have been able to publish this book to remind us of our school days. You have truly proved yourself to be a true Mariner.

We can't put to words our thanks for your job well done.

Mr. Skiles

With much appreciation and many thanks for the numerous contributions you have given our school, the students of Mar Vista High School dedicate the 1953 Log to Mr. Skiles. He has been a constant source of inspiration both in and out of class.

Along with the memories of school we want to remember you. You have proved yourself to be a true Mariner. We haven't enough words to thank you for your guidance through our Senior Year.

SUPERINTENDENT OF SCHOOLS

Mr. J. M. McDonald

Dear Seniors:

When your editor informed me of the theme for this year's "Log" I was somewhat puzzled. However, on reflection, the thought occurred that since Mar Vista's launching two years ago, we Mariners have been sailing on high seas of the time, the one year in the Navy Barracks at Brown Field and one year on a half-day session at the Chula Vista High School plant. It is a satisfaction to know that all Mariners have now landed at their port of call in Imperial Beach. You seniors have helped immeasurably to the success of this landing. We can look with pride to our Faculty members, our new buildings, its equipment, and the high ideals and traditions which have been established. Your part in promoting these successes long will be remembered.

All of you will be going forth into various avenues of activity, not knowing what is before you. Be not dismayed, for you can have assured in the fact that you have gained something by experiences which your high school has afforded you. This will be of help to you in meeting other challenges which will present themselves.

Although you will be leaving this port as a Senior, we do not want you to forget us. Once a Mariner, always a Mariner; we hope your interest in the growth of Mar Vista will take on added significance. Your tie will be through your Alumni Association. Be active in it, as that activity helps to further this school.

We wish you well in whatever you undertake, and we say good luck and thanks for your association in the Student Body of your High School.

MALCOLM WHITT
A.S.B. PRESIDENT

MESSAGE

As A.S.B. President this past year I have made many new friends in both the Student Body and in Faculty. It has also given me the opportunity to meet many students of other schools.

I extend my hand to Mr. Fredlund whose unceasing efforts have made this year a success. When there was something to be done, there was Mr. Fredlund spurring us on.

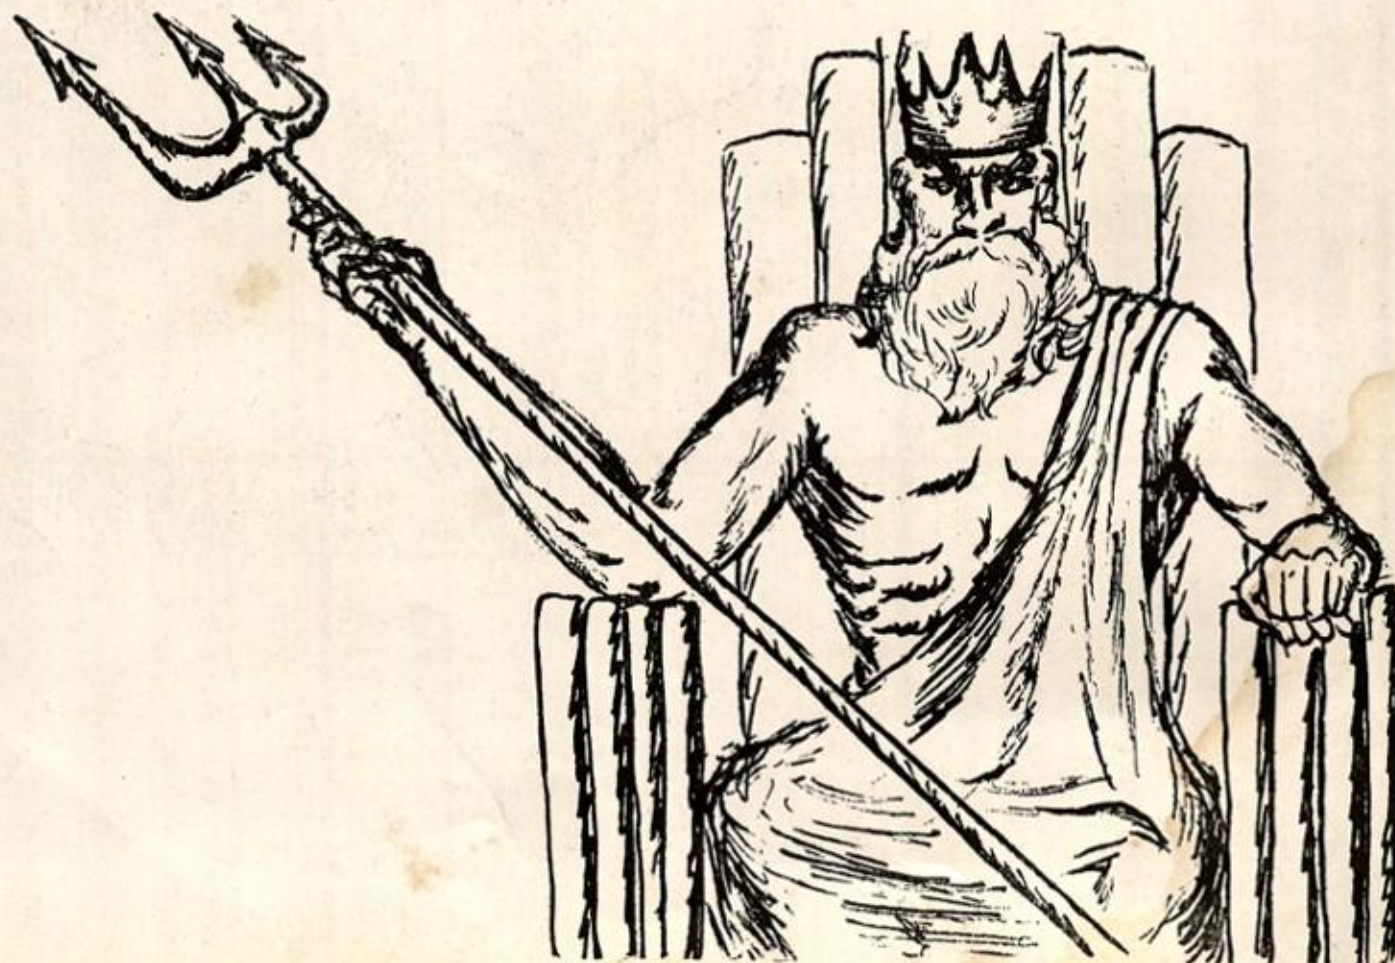

I wish also to extend my other hand to the students of Mar Vista High School whose fine cooperation at assemblies and in activities has made this year, for me, a truly enjoyable one.

I can only hope that my successor will have as enjoyable a year as I have had, and I know that your cooperation will be appreciated by him as much in the future as it has been appreciated by me in the past.

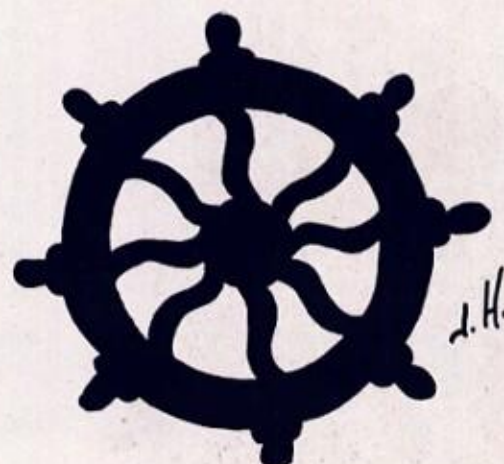

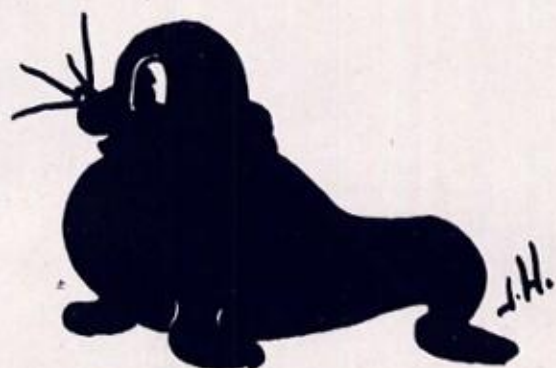

Sincerely yours,

Malcolm Whitt,
A.S.B. President.
